Whereas the communities surrounding Kapuskasing could benefit from a grant in the amount of up to \$1,500,000 over a period of five years to develop a network of local transportation;

Whereas the committee responsible for writing up the grant proposal, made up of representatives from the municipalities and health care providers, recommend the use of an external consultant that specializes in this area;

Be it resolved that the municipality of Val Rita-Harty will participate with a maximum of \$3,500 for the cost of consultant's services.

CARRIED

2. Former Ste-Rita School

- *Presentation of the incurred expenses by the school board for 2016-1017*
- *Cost projection for the renovation of 4 to 6 units*

After discussion, the council comes to an agreement that the renovation of units in the building does not appear to be a viable solution, even in the long term, considering the costs that will continue to be the municipality's responsibility.
